

Environmental Policy

Ranews Companies is committed to environmental sustainability and the responsible management of our operations. We recognize the importance of environmental protection and are dedicated to minimizing our environmental impact through the implementation of an effective Environmental Management System (EMS) based on ISO 14001 requirements.

Key Principles:

1. Compliance: We will comply with all applicable environmental laws, regulations, and other requirements related to our environmental aspects.
2. Pollution Prevention: We are committed to preventing pollution by identifying, managing, and continually improving our environmental aspects and impacts.
3. Continuous Improvement: We will establish and review environmental objectives and targets, striving for continual improvement in our environmental performance.
4. Employee Involvement: We will engage our employees in environmental initiatives, provide training, and foster a culture of environmental responsibility.
5. Stakeholder Engagement: We will communicate openly with our stakeholders, including customers, suppliers, regulatory bodies, and the community, to address concerns and gather input.
6. Emergency Preparedness: We will develop and maintain emergency response procedures to effectively manage and mitigate environmental incidents.

Communication:

This environmental policy will be communicated to all employees, contractors, and interested parties. It will be made available to the public and reviewed periodically to ensure its ongoing suitability and effectiveness.
